

## *Recommendation To Whom It May Concern*

**Name:** *Fatima Hussein Ahmed Al-Murtadha.*

*The above mentioned name was one of my students at the Faculty of Law, at Sana'a University in Yemen. I taught her courses in private international law. I have been impressed with her conscientiousness and punctuality. She has shown herself to be a self-persistent and painstaking young scholar . She demonstrated unique and excellent skills particularly in courses of practicum and field work beside excellent results in most of her courses, as she is known for her dedication and seriousness also was highly motivated toward reading and discussing thoroughly controversial issues in his field.*

*Furthermore, she enjoyed high good morality & good conduct. So, I sincerely recommend her for postgraduate studies in the field of her interest, and I am confident from her scientific abilities.*

*Sincerely,*

*Dr. Fouad Mohamed Al-Odaini  
Assistant professor of private International Law  
at Faculty of Law - Sana'a University*
